

Acocks Green Village in Bloom Planter Trail

There are 10 large planters along Acocks Green high street on the stretch between the Halifax and Aldi. You need to look at each planter to answer the questions about the flowers and insects. Each planter has a number in the top left corner of one side.

1	What is the number of the planter nearest to Mallard Community Orchard on Mallard Close ?	<input type="text"/>
2	How many ladybirds are there on planter number 7 ?	<input type="text"/>
3	Which planter has a spider on it ?	<input type="text"/>
4	What type of flowers are on the picture with the spider ?	<input type="text"/>
5	See picture - On which planter will you find this Bee visiting a white flower ?	<input type="text"/>
6	How many butterflies are there on planter number 6 ? (Don't miss the one on the flower!)	<input type="text"/>
7	Which are the 3 planters that have Orange Tip Butterflies on them ?	<input type="text"/>
8	See picture - Which shop has the planter outside with this blue butterfly on it ?	<input type="text"/>
9	Which planter has one side with just poppies and one Bee, and no other flowers or insects ?	<input type="text"/>
10	Planter number 4 has bees on every side - how many Bees on this planter in total ?	<input type="text"/>
11	What type of bird is on planter number 1 ? (A nearby road name might help)	<input type="text"/>
12	See picture - Which planter has this black and white butterfly on it ?	<input type="text"/>
